Being forced to spend eternity as a vampire--trapped in the mind and body of a child, with slaughter the only recourse for survival--is torture enough. But when Abby finds herself faced with a ruthless real--estate tycoon willing to do anything to get at the property she and her caretaker call home, far more monstrous torments await. In a small community torn apart by vicious men who are consumed by greed, wrath, and envy, she will learn which deadly sin is truly deadliest. Taking you even deeper into a tragic world of sophisticated horror with Let Me In: Crossroads, a chilling prelude to the highly anticipated film Let Me In. The official prelude to Cloverfield director Matt Reeves' highly anticipated horror film starring Chloe Moretz (Kick-Ass). An essential part of the Let Me In experience.
