Moses, the great patriarch in the heart of Judaism, Christianity, and Islam, wrote the first five books of the Bible or Tanakh, perhaps the most influential books in Western history. Yet, because they were written in Hebrew, a highly symbolic and deeply mystical language, few have revealed the true meanings of the stories and events he described. When you know the Hebrew letters and the structures of Kabbalah, the secret teachings of Moses radiate with stark clarity, and echo throughout the entire range of Jewish and Christian scriptures, especially in the Gospels of Jesus. This book focuses on the second chapter of Genesis (Bereshit), which establishes the foundation of the Jewish and Christian religions. With this knowledge you can understand the true meaning of Adam and Eve, the Garden of Eden, the presence of the serpent, and all of the rest of the teachings that follow these symbols. Yet, this is not merely scholarly theology: by understanding what Moses actually wrote, anyone can see the true basis of human suffering and how to change it.
