Changing the U.S. Health Care System: Key Issues in Health Services Policy and Management Ronald M. Andersen, Thomas H. Rice, Gerald F. Kominski

The third edition of Changing the U.S. Health Care System is a thoroughly revised and updated compendium of the most current thought on three key components of health care policy—improving access, ensuring quality, and controlling costs. Written by a panel of health care policy experts, this third edition highlights the most recent research relevant to health policy and management issues. New chapters address topics such as the disparities in health and in health care, information systems, and performance in the area of nursing. Revisions to chapters from the previous edition emphasize the most recent developments in the field.
