**For a limited time only, get this eBook for just \$0.99. Regularly priced at \$3.99. Read on your PC, Mac, Smart phone, Tablet or Kindle device.**

In this book you will discover how to improve your life and well-being by getting rid of toxin-laden chemical products and learning to make shampoo at home. Homemade shampoo provides you with extremely efficient hair care at an amazingly low cost. This book is your go-to guide to making your life easier and healthier at the same time. In its pages you will find out not only the basics about homemade shampoo, but also what ingredients you should be using depending on your hair type. This guide to making homemade shampoo offers you many tips to the best recipes which can ensure your hair becomes stronger, shinier, and visibly healthier.

### **Here Is A Preview Of What You'll Learn...**

- why you should switch to organic cosmetic products and homemade shampoo
- what tools and ingredients you need in order to prepare your shampoo at home
- how easy it is to make your shampoo at home and how little of your time and energy it takes
- the best recipes for a specific hair type and how to address unwanted problems such as dandruff or hair damage
- what properties various herbs, oil types, and other basic ingredients have and how you should combine them for maximum benefit
- how to be creative and turn making shampoo at home into a real art
- and much, much more!
