## Welfare Reform in Persistent Rural Poverty: Dreams, Disenchantments, and Diversity (Rural Studies)

Mark H. Harvey, Gene F. Summers, David Mushinski, Kathleen Pickering

Since the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 was enacted, policy makers, agency administrators, community activists, and academics from a broad range of disciplines have debated and researched the implications of welfare reform in the United States. Most of the attention, however, has focused on urban rather than rural America. *Welfare Reform in Persistent Rural Poverty* examines welfare participants who live in chronically poor rural areas of the United States where there are few job opportunities and poor systems of education, transportation, and child care.

Kathleen Pickering and her colleagues look at welfare reform as it has been experienced in four rural and impoverished regions of the United States: American Indian reservations in South Dakota, the Rio Grande region, Appalachian Kentucky, and the Mississippi Delta. Throughout these areas the rhetoric of reform created expectations of new opportunities to find decent work and receive education and training. In fact, these expectations have largely gone unfulfilled as welfare reform has failed to penetrate poor areas where low-income families remain isolated from the economic and social mainstream of American society.

*Welfare Reform in Persistent Rural Poverty* sheds welcome light on the opportunities and challenges that welfare reform has imposed on low-income families situated in disadvantaged areas. Combining both qualitative and quantitative research, it will be an excellent guide for scholars and practitioners alike seeking to address the problem of poverty in rural America.

It means that, science book or encyclopedia or some others. So , how do you think about this book?

**Terry Smith:**

Why? Because this Welfare Reform in Persistent Rural Poverty: Dreams, Disenchantments, and Diversity (Rural Studies) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who also write the book in such amazing way makes the content inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the guide store hurriedly.

**Pearl Dyson:**

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful

photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Welfare Reform in Persistent Rural Poverty: Dreams, Disenchantments, and Diversity (Rural Studies) can make you sense more interested to read.
