Lost

Michael Robotham

Lost Michael Robotham

Detective Inspector Vincent Ruiz doesn't know who wants him dead. He has no recollection of the firefight that landed him in the Thames, covered in his own blood and that of at least two other people. A photo of missing child Mickey Carlyle is found in his pocket--but Carlyle's killer is already in jail. And Ruiz is the detective who put him there.

Accused of faking amnesia, Ruiz reaches out to psychologist Joe O'Loughlin to help him unearth his memory and clear his name. Together they battle against an internal affairs investigator convinced Ruiz is hiding the truth, and a ruthless criminal who claims Ruiz has something of his that can't be replaced. As Ruiz's memories begin to resurface, they offer tantalizing glimpses at a shocking discovery.

From reader reviews:

Anna Maples:

The book Lost can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book Lost? Some of you have a different opinion about guide. But one aim in which book can give many info for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or data that you take for that, you may give for each other; you are able to share all of these. Book Lost has simple shape but the truth is know: it has great and massive function for you. You can search the enormous world by available and read a publication. So it is very wonderful.

Ruth Cook:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to anyone is you don't know what one you should start with. This Lost is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

William Jimenes:

People live in this new moment of lifestyle always attempt to and must have the time or they will get wide range of stress from both day to day life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading publications. It can be your alternative within spending your spare time, the particular book you have read is usually Lost.

Nick Peoples:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from a book. Book is composed or printed or outlined from each source this filled update of news. In this particular modern era like now, many ways to get information are available for you actually. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just searching for the Lost when you needed it?
