One Life: An Only You Novel A.J. Pine

In the latest from the author of *One Night*, tragedy causes a young woman to struggle to keep her head above water, and the only one who can help her is the guy who's been in the friend zone for the past year . . .

Every time life throws Zoe Adler a curve ball, she changes her appearance. Freshmen year—after almost following in her mother's alcoholic footsteps—she said good-bye to her blonde, girl-next-door image and opted for jet black hair and piercings galore. After her brother Wyatt's death, she escapes to the city to teach a summer art program for kids. Her black hair goes blue, and she finds solace in the arms of a longtime friend, in his heart, and in his bed—but her guilt makes her unable to accept the love he wants to give.

Spock might be the guy to save Zoe. But when she learns the truth about his past, the edge she's teetered on since losing Wyatt drops out from under her. The girl who kept it together for everyone finally falls apart. Now Zoe must choose between drowning in guilt about Wyatt or asking for help. But even if she gets the help she needs, Spock may not be waiting for her when she's ready to let love in.
