Art Deco continues to enjoy a solid revival, especially in the areas of commercial art and advertising. The bold geometric patterns that shocked the Paris set world in 1925 are universally employed today in every form of media.

Now this inexpensive collection offers the working artist hundreds of royalty-free, ready-to-use Art Deco borders and ornaments, including corners, frames, and cartouches. Dynamic designs combine circles, squares, crescents, and other shapes with palm trees, female figures, sunbursts, and more. Use them alone or combine them with numerous line bars of varying widths to create exciting advertisements, greeting cards, catalogs, menus, invitations, or any other project.

Printed in crisp black-and-white images on 32 glossy repro-quality plates, these motifs are an incomparable value for today's package designer, graphic designer, and advertiser.
