Intrigued, Rojan breaks all his rules and buys the human as his pet. It isn't until after he purchases the human that Rojan discovers he's just bought his mate. Claiming Tyion Rhodes is not as easy as buying him. Not understanding the danger he is in, Tyion fights his situation as a highly prized and sought after pet in Rojan's world. Rojan has to convince Tyion that being his mate is not as bad as being a pet, even if they have to pretend to the rest of the world that Tyion is just a possession. That is hard to do when someone is after Tyion, someone not from Earth. Note: This book was previously published with another publisher and has been extensively revised and expanded.
