The Embrace: A True Vampire Story Aphrodite Jones

With an extraordinary talent for staring evil dead in the eye, *New York Times* bestselling author and journalist Aphrodite Jones plunges readers into the front lines of a modern nightmare.

On November 25, 1996, in their home in the lakeside community of Eustis, Florida, Rick and Ruth Wendorf were savagely beaten to death with a tire iron. The Wendorfs' new Ford Explorer was stolen, but this was no routine robbery gone bad. This was a crime carried out by one Roderick Ferrell, a sixteen-year-old self-avowed Antichrist. His human sacrifice was a testament to the unique and sinister bond of four brainwashed teens. Heather Wendorf was a straight "A" student, a petite blonde with wide-set brown eyes. Yet she had been heard to wish her parents "off the face of the planet." Heather never dreamed that when she joined her friends for a joyride one fall evening, her wish had already come true.

Including exclusive interviews with every living character involved in the case, *The Embrace* will forever change the way we look at one of the fastest-growing religious movements in the country, and its most vulnerable fold: our children.
