The Spirit of Perversion (Psychoexorspiritual Therapy Book 9) Charles Vaughan Smith

This book describes in detail the evil wicked spirit of perversion. The spiritual manifestations of perversion are analyzed and broken down into specific spirits. Psychoexorspiritual Therapy will guide the counselor on how to carefully recognize and address each spiritual manifestation. Due to the nature of the spiritual manifestations of perversion that are addressed some may not like the language that is used. Note that those who may be offended by the word “whore” that this word is used approximately 48 times in the King James Version of the Holy Bible. Also some words used in this book to describe a person’s anatomy are words commonly used in health education classes in secondary grade schools. Perversion is a very inflammatory subject and there are many different opinions. Always remember that God has the last word.
