The Winter Soldiers: The Battles for Trenton and Princeton Richard M. Ketchum

In the fall of 1776 the British delivered a crushing blow to the Revolutionary War efforts. New York fell and the anguished retreat through New Jersey followed. Winter came with a vengeance, bringing what Thomas Paine called "the times that try men's souls."

The Winter Soldiers is the story of a small band of men held together by George Washington in the face of disaster and hopelessness, desperately needing at least one victory to salvage both cause and country. Richard M. Ketchum tells the tale of unimaginable hardship and suffering that culminated in the battles of Trenton and Princeton. Without these triumphs, the American Revolution that had begun so bravely could not have gone on.
