Cake Icing, Butt Budder and Tea Lids Renee Andrews
National Readers Choice Award Winner

Cake Icing, Butt Budder and Tea Lids has been described as Sweet Home Alabama, the Ya-Ya Sisterhood, Practical Magic and Steel Magnolias all rolled into one. "In the South, if a woman isn't married by age twenty-five, it's time for an intervention." This is the basis behind Delilah and Edna Thibodeaux's dogged determination to make sure their beloved Jezza doesn't end up an old spinster, like her mother and aunt. But what happens when the eccentric antics of the young girl's crazy Cajun aunt and mother put her search for Mr. Right on a 25-year deadline to potential disaster? And why should she have to prove that they are the experts in marriage intervention, anyway? Because she loves them? Yeah, probably. Because they really don't mean any harm? That too. But when they decide her Mr. Right is T-Roy Bertrand, the butt budder salesman, does she really have to agree? And if she's made up her mind, why does her heart refuse to listen?
