Broken Scarred Invisible My name is Everly. I'm a stay at home mom of two beautiful kids. I have a husband that provides for our family but I don't think he loves me anymore. Inside I die a little every day. I am not enough. Not enough of a mother, a wife, a friend, a woman... I'm not enough to get you to stay, to love me or to accept me. There's a battle I'm fighting only I can chose to win. It's a battle within myself. I'm a fixer; I help others. I try to make everyone around me happy and whole and yet, I haven't figured out a way to fix myself. When time and circumstances push me to my breaking point, I'm forced to take a hard look at what I've become. A failed marriage, a failed attempt at a career, and a failed attempt at being a mother. I'm not enough to hold any of it. This is my story. It's about trying to figure out how to be happy with who I am, how to love myself again, and how to allow others to love me. When a second chance at love is standing in front of me, will I be able to see anything more than my broken reflection in his eyes? Will I be able to rebuild and reinvent myself when everything falls apart? Can I find the love I truly deserve? Will I ever be enough?
