Manimals! Understanding Different Types of Men and How to Date Them

It's here. The sequel to my #1 best seller, To Date a Man You Must Understand a Man! *Manimals!*

It's time to get down to business and define the different types of men so you can have a better understanding of what you are getting yourself into and how to date these types of guys. Equally important is defining the different types of women so you can determine which category best describes *you*. Of course, we all have bits and pieces of several personality types, but one usually prevails.

Once the types of men and women are defined, it's time to match them up – which type of man should you be looking for, based on the personality type that best describes you. I have the answer! Then, in the second half of the book, I teach all new stuff about understanding the male mind.

Ladies, Do Not Pass Up Reading This Book!

As most of you know I talk to my readers through my books and you have asked me to write this book. In fact, you named the book. Manimals is the only dating advice for women eBook that is interactive. There are videos inside from me, *Helen Fisher* (Google this famous woman) and me together, (starting in August 2015) and info-graphics from my team. In the last section, you are able to send us *your* stories of dating different types of men and I publish them. *You* will be in an Amazon best selling dating advice eBook!

- Laugh as I define the 10 main types of men
- Place yourself among the 10 groups of women
- Watch as I match you up with your best fit
- Add to this list with your stories and learn from your fellow readers!

In Section 3:

- Understand why you date the wrong type of guy
- Hop aboard (temporarily of course) my train to failure
- Understand why marriages fail
- Learn why emotionally unhealthy people attract similar partners

In Section 4 We Understand Men Even More!

- 15 things that every woman needs to know about men
- A woman's game plan for keeping her man (info-graphic)
- Why we need to create challenge and mystery and how (this is huge!)
- 9 TEXTING examples to create challenge and mystery (awesome info-graphic!)
- And what a confident woman looks like to a guy

Oh but I've got more! You are going to read about my Chameleon Theory and you'll love it! Then, in Section 5, the book gets turned over to you. Your stories get published every month so you, your counterparts, and I, can keep learning by always expanding this dating advice for women eBook.
