## **Repentance: The First Word of the Gospel** Richard Owen Roberts

It is a serious problem when society misunderstands or disregards sin and repentance. But when the church neglects these doctrines, the impact is profound. This book unfolds the nature and necessity of biblical repentance, but for the church in particular. Roberts' in-depth study heavily references both the Old and New Testaments, and includes chapters on the myths, maxims, marks, models, and motives of repentance, as well as the graces and fruits that accompany it. There is also wise warning about the dangers of delayed repentance.
