Sixties Years of Hope Days of Rage

Todd Gitlin

Sixties Years of Hope Days of Rage Todd Gitlin

An extraordinary blend of vivid recollection and brilliant, relentlessly honest analysis. I ought to be the bench mark against which all future accounts of the movement will be measured. The Sixties...is a brave and brilliant book: brilliant in its understanding of the New Left as a genuinely American insurgency, rooted in the mass culture of the 50s; and brave for its revealingly self-critical analysis of why that movement faded, all too soon.
