She was mine, and I was going to fight to keep it that way

I used to fight hard and play harder.

The only woman in my life was named whiskey.

Until I met Cadence.

She had a sweet mouth that begged me to claim it, curves that I could stroke for days.

Every inch of her was worth tasting, worth drowning in.

I knew I had to have her. She was going to scream my name. I'd make sure of it.

The one problem? Her father controls her...

And now that bastard wants to drag me back into the fighting pits.

But I can't, not anymore. I won't break the promise I made years ago.

The only thing I ever planned to fight for again was what belonged to me:

Cadence.

If I don't play his games, he'll sell her to pay off his debts.

But I won't let that happen.

Because she's already mine.

Even if she doesn't know it yet.

Author's Note: This is a standalone bad boy romance novel. Contains a HEA and over the top sexiness that may be uncomfortable for some readers.
