Tilt Ellen Hopkins

Love—good and bad—forces three teens’ worlds to tilt in a riveting novel from *New York Times* bestselling author Ellen Hopkins.

Three teens, three stories—all interconnected through their parents’ family relationships. As the adults pull away, caught up in their own dilemmas, the lives of the teens begin to tilt...

Mikayla, almost eighteen, is over-the-top in love with Dylan, who loves her back jealously. But what happens to that love when Mikayla gets pregnant the summer before their senior year—and decides to keep the baby?

Shane turns sixteen that same summer and falls hard in love with his first boyfriend, Alex, who happens to be HIV positive. Shane has lived for four years with his little sister’s impending death. Can he accept Alex’s love, knowing that his life, too, will be shortened?

Harley is fourteen—a good girl searching for new experiences, especially love from an older boy. She never expects to hurdle toward self-destructive extremes in order to define who she is and who she wants to be.

Love, in all its forms, has crucial consequences in this standalone novel.

From reader reviews:

Sandra Conaway:

Have you spare time for any day? What do you do when you have far more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent their particular spare time to take a go walking, shopping, or went to the Mall. How about open or maybe read a book called Tilt? Maybe it is to get best activity for you. You already know beside you can spend your time together with your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have additional opinion?

Kenneth Leishman:

Book is to be different per grade. Book for children right up until adult are different content. As it is known to us that book is very important usually. The book Tilt seemed to be making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The publication Tilt is not only giving you more new information but also to get your friend when you experience bored. You can spend your personal spend time to read your book. Try to make relationship together with the book Tilt. You never experience lose out for everything in case you read some books.

Alice Rodriguez:

Information is provisions for individuals to get better life, information currently can get by anyone on everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is inside the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Tilt as your daily resource information.

Timothy Rhine:

Reading a book being new life style in this year; every people loves to read a book. When you learn a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. In order to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, in addition to soon. The Tilt provide you with new experience in examining a book.
