**An extraordinary story of Anne Frank and the Secret Annex**

For two years during the Second World War, young, Jewish Anne Frank lived in hiding from the Nazis. Everything she experienced, thought, and felt, she confided in her diary. She was just as frank in her descriptions of the seven other people in the Annex and of the five helpers who endangered their own lives to look after them. Years later, Anne Frank's diary became world famous. The Secret Annex was so well set up that the hidiers survived there for over two years. Who were these people, how did they meet, and what happened to them?

This book shows the background and organization of the Annex and the personal stories of all involved, as well as their relationships and their fates. It also offers many never-before-published photographs. The result is an extraordinary group portrait that stays with the reader long after the last page is turned.
