How to Turn Straight Men Gay Buck Gemmel

My mind flashed back to the fiery look in Sam's eyes. I wondered where that had come from. I'd never thought about men in that way my entire life...

Jacob is fresh meat in prison and is frightened by the other inmates. To make things worse, his cellmate Sam is someone even the other hardened inmates feared.

On the first night, Jacob hears Sam's soft moans and realizes that his cellmate is playing with himself! The second time Jacob hears the soft moans, he feels a stirring in his loins and puts it down to missing his wife.

When Sam saves him from the unwanted advances of other inmates, they become friends... and that night, when Jacob releases his own sexual energies, he finds himself thinking of his savior, Sam.

Things escalate when the cellmates begin a nightly routine of quietly jacking themselves off. Jacob can't help fantasizing what it would be like to taste Sam, and soon he no longer thinks about his wife, or any woman for that matter.

But how far will Jacob and Sam take their nightly ritual?

*For mature audiences only.

Excerpt:

"Please Sam," was all I could whimper.

"Please what?" He teased me, "tell me what you need."

I could tell he was enjoying this. All I could do was thrust my hips in his general direction.

"Is this what you want?"

I gasped as I felt the tip of his finger slide into my well lubricated ass.

"Yeah, oh fuck yeah," I moaned.

Sam sniggered, "You are a dirty little slut aren't you?"

He now had his entire index finger inside me, and was slowly pumping it in and out. I barely noticed when he slipped a second finger into me; I was so close to blowing my load.
