Sacred Secrets illuminates the Law of Attraction and other spiritual principles that have been taught by the Unity movement since 1889. Featuring a special message from Michael Beckwith, one of the contributors to The Secret, this collection of 35 essays by Unity writers, teachers, ministers and supporters explores essential spiritual truths for living a happy, healthy and meaningful life.

Whether you're facing a life challenge, seeking deeper spiritual understanding, or simply wanting to make an already good life great, you'll find practical guidance in these stories. They not only offer insight into how to purposefully change your thinking (the law of mind action) but also teach you how to use other spiritual laws, such as the principles of prosperity, gratitude, forgiveness and acceptance. By aligning yourself with your sacred source and putting these laws into practice, you can unleash the extraordinary power within you.

Sacred Secrets will help you claim the joy, peace and prosperity that are meant to be yours--right here and right now.
