**The Sugar Daddy Formula: A Sugar Baby's Ultimate Guide to Finding a Wealthy Sugar Daddy** Taylor Jones

**The Sugar Daddy Formula aims to help women find their Sweet Spot of Success in Creating long-lasting Sugar Daddy Relationships.** Becoming a Successful Sugar Baby Isn't Down To Luck...It All Comes Down To This Powerful Sugar Daddy Dating Formula!

In her sixth book, author and dating coach Taylor B. Jones says women who are interested in attracting and developing long-term dating relationships with affluent men need more than luck or an alluring body type.

“There’s a powerful formula for attracting a Sugar Daddy, and it doesn’t require exquisite beauty or a perfect body,” Jones says. “Being a successful Sugar Baby begins with your character and your ability to radiate some inner quality that attracts Sugar Daddies, and stirs their emotions in a way that they want to help you.”

**“The Sugar Daddy Formula: A Sugar Baby's Ultimate Guide to Finding a Wealthy Sugar Daddy”** provides step-by-step deliverables to help Sugar Babies successfully attract their Sugar Daddies. Those steps include how to craft an attention-getting online profile, how to develop a unique “Sugar Baby Allure,” how to create a personal “Sugar Baby Story,” how to craft your “Sugar Baby Action Plan”, how to market personal attributes and personality strengths that stand out, and two Sugar Baby case studies.

Taylor says, "I know how hard it is wanting to be in a better situation than where you are right now, and having no help or the financial resources you need because I struggled myself. Therefore I now use what I learned to deliver information into the hands of Sugar Babies, giving them the "how-to's" by increasing their success rate with Sugar Daddies to get them what they want, and a better life. I turn relationships into wealth. I realized that I had created a system that has worked for me and which I now share with Sugar Babies.”

The Sugar Daddy Formula Is Perfect For:

Women who want to become Sugar Babies but don't know the best way, Novice Sugar Babies who want to know how and where to meet the best Sugar Daddies, Sugar Babies wondering how to get exactly what they want from their Sugar Daddies, and Sugar Babies who need help getting and keeping their Sugar Daddies interested.

The Sugar Daddy Formula will lay out the tools to create the lifestyle you desire.

Attracting the right Sugar Daddy is only part of winning the game. The book also offers strategies that help create long-term bonds in which both the Sugar Daddy and the Sugar Baby are satisfied with their relationship arrangement.

Jones created **The Sugar Daddy Formula** based on her interest in human behavior and her desire to better understand the nuances that lead to attraction and what leads men to provide women with the things they want. Other books that discussed how to be a Sugar Baby left her more confused about what to do next., "**The Sugar Daddy Formula**" book is her answer for women seeking to take the next step.

"My philosophy is to help women understand what motivates men to help both partners create mutually agreeable long-term relationships that allow Sugar Babies to experience the lifestyle they want," she says. "I am a woman who has chosen to enhance my life by dating successful men."
