Trespasses: A Memoir (Sightline Books)

Lacy M Johnson

Trespasses: A Memoir (Sightline Books) Lacy M Johnson

A series of vividly rendered personal narratives, *Trespasses: A Memoir* recounts the coming of age of three generations in the rural Great Plains. In examining how class, race, and gender play out in the lives of two farm families who simultaneously love and hate the place they can't escape, Lacy Johnson presents rural whiteness as an ethnicity worthy of study. As she dismantles the complex history of a forgotten place while fighting to keep its people whole, Johnson reflects on a place that outsiders can cross into or pass through, but may never fully know. From formal and informal research methods, Johnson has produced an innovative collection of prose poems and essays that together create an exciting work of contemporary nonfiction.

Examining region through the lenses of memory (experience), history (memory made public), and theory (experience abstracted), *Trespasses* is a deeply intelligent work, at the center of which is the author, always feeling as if she doesn't belong but not sure where she else she should be. In this profound work, Johnson drifts gracefully back and forth between timelines and voices in a way that illustrates how her present is connected to the many pasts she chronicles.
