**American Psycho (Spanish version) (Spanish Edition)** Bret Easton Ellis

Patrick Bateman moves among the young and trendy in 1980s Manhattan. Young, handsome, and well educated, Bateman earns his fortune on Wall Street by day while spending his nights in ways we cannot begin to fathom. Expressing his true self through torture and murder, Bateman prefigures an apocalyptic horror that no society could bear to confront.

Blurb in Spanish: Mucho se ha hablado de American Psycho. Y lo cierto es que había razón para tanta polémica, pues esta novela de Bret Easton Ellis constituye una de las críticas más feroces que un escritor norteamericano ha hecho a su propio país: una sociedad autocomplaciente y orgullosa de si misma. Para su denuncia, el autor ha escogido un camino arriesgado: Patrick Bateman, el protagonista, no es un rebelde ni un paria; Patrick es un joven de éxito que, sin embargo, también es capaz de violar, torturar y asesinar. Como dijo Fay Weldon, American Psycho es de alguna forma el oscuro complemento de La hoguera de las vanidades, por cuanto descubre aquellos puntos negros de la vida de los supuestos triunfadores que la novela de Tom Wolfe quiso obviar.
