Dark Moon (Red Moon Second Generation Series Book 3) Elizabeth Kelly

Sophia Williams, a powerful and strong-willed Lycan, never thought she would fall for a human. Yet, she cannot deny the instant attraction she feels for Bree's brother, Kaden. Used to getting what she wants, Sophia pursues him, determined to prove that she can be trusted.

Beaten and enslaved by Lycans, Kaden wants nothing to do with the family of Lycans his sister is marrying into. His lust for Sophia, the eldest daughter of Tristan and Avery, is undeniable. As lust turns to something deeper he begins to question everything he believes about the Lycans.

When a mutual enemy threatens to destroy their growing relationship, Kaden must put aside his distrust of Sophia's family to save her.

Author's Note: This is Book Three of the "Red Moon" series. Book One ("Red Moon") and Book Two ("Red Moon Rising") should be read first in order to have a better understanding of both the characters and the world they live in. This book contains some violence and some hot and sweaty sex scenes, and is intended for adults only. As well, please note that this book ends on a cliffhanger (I do love a good cliffhanger!).
