## **Deep Descent: Adventure and Death Diving the Andrea Doria** Kevin F. McMurray

On a foggy July evening in 1956, the Italian cruise liner *Andrea Doria*, bound for New York, was struck broadside by another vessel. In eleven hours, she would sink nearly 250 feet to the murky Atlantic Ocean floor. Thanks to a daring rescue operation, only 51 of more than 1,700 people died in the tragedy. But the *Andrea Doria* is still taking lives.

Considered the Mt. Everest of diving, the *Andrea Doria* is the ultimate deepwater wreck challenge. Over the years, a small but fanatical group of extreme scuba divers have investigated the *Andrea Doria*, pushing themselves to the very limits of human endurance to explore her -- and not all have returned. Diver Kevin McMurray takes you inside this elite club with a hard, honest look at those who go deeper, farther, and closer to the edge than others would ever dream.

*Deep Descent* is the riveting true story of the human spirit overcoming human frailty and of fearsome, mortal risks traded for a hard-core adrenaline rush. Chronicling these adventures in his page-turning narrative and in dozens of dramatic photos, McMurray draws us deeper into the cold heart of the unforgiving sea, giving us a powerful vision of a place to which few will ever have the skills -- or the courage -- to go.
