Desert Storm: A Forgotten War

Alberto Bin, Richard Hill, Archer Jones

Desert Storm: A Forgotten War Alberto Bin, Richard Hill, Archer Jones

This account of the Gulf War reveals its importance from a military and political point of view, highlighting how modern military technology made possible, with relative ease, a victory that would have been nearly impossible by traditional means. It has become fashionable to trivialize the impressive military achievements of the Coalition victory over Iraq, but Bin, Hill, and Jones demonstrate that the Gulf War represents a defining moment in military and political history. The text includes numerous firsthand eyewitness accounts.

Readers will discover why a multinational coalition deployed 800,000 soldiers to the Middle East to challenge to the Iraqi invasion of Kuwait. They will find out the truth behind political maneuvering by nations involved in the conflict, as well as those on the sidelines, and they will learn the details of the various weapons systems employed. The authors analyze the aftermath of the war and draw important lessons from it. This book provides an authoritative and provocative review of what will surely be remembered as one of the key events of the last half century.
