Final Reckoning: The Fate of Bester (Babylon 5) J. Gregory Keyes

For Alfred Bester, "the Corps was mother, the Corps was father."

But now, his Corps was doomed . . .

Under the ruthless command of Alfred Bester, Psi Corps's reign of terror reached unspeakable new heights--and touched off a civil war among the telepaths. Corps minions fought renegade defectors--a new resistance movement determined to overthrow Bester's monstrous regime. But the tide was destined to turn . . .

Interstellar Alliance President John Sheridan intervenes to stop the bloodshed as a new Psi Corps rises from the ashes. Its first mission: to hunt down and neutralize war criminals, individuals such as Bester himself. Once feared across the galaxy, the dreaded hunter becomes the fleeing prey--with Michael Garibaldi in hot pursuit.

Underground and on the run, Bester builds a new life on the ruins of his secret, sinister past. But as the forces of justice--and vengeance--close in, he must confront the hell he created, choose between surrender or survival at any cost, and prepare to make his final stand . . .

There is nothing as dangerous as a predator who has been cornered and has nothing left to lose.

The stunning finale to the new epic trilogy that uncovers the secret history of the Psi Corps.
