Out of Time (Time Series Book 1) Deborah Truscott

Kathleen Findlay is married to a cad, her mother is driving her crazy and her life is falling apart. Then her uncle dies, leaving her the family's Revolutionary-era home and, she believes, an escape from her chaotic marriage. But one afternoon, while searching for a rake, she discovers a man in her garden shed — and a free fall through the centuries.

As her life spins wildly out of control, Kathleen finds her heart and in the process, her own place in time.
