Joanne Palmisano

**Salvage Secrets Design & Decor: Transform Your Home With Reclaimed Materials** Joanne Palmisano

**A visually sumptuous idea book, showcasing an eclectic array of interior design possibilities using salvaged goods.**

Following up on her celebrated first *Salvage Secrets* book, which *Fine Homebuilding* called “An invaluable first step in the salvage-for-design journey,” here salvage design guru Joanne Palmisano takes readers further, exploring a wealth of smaller-scale interior design and decor concepts.

Bottle caps turned into a kitchen backsplash, old bed springs reinvented as candle holders, and a recycled shipping container-turned-guesthouse are just a few examples of the innovative repurposing of second-hand items that readers will discover. From retro and modern to classic, “cottage,” and urban chic, Palmisano takes readers on a sumptuous visual journey featuring unique salvage ideas in an eclectic array of styles, for every room in the house?kitchens and dining rooms, bedrooms and bathrooms, living rooms and dens, and entryways and outdoor areas.

The journey continues with a sampling of cutting-edge retail spaces, hotels, cafes, and boutiques across the country that incorporate salvage into their designs, such as Industrie Denim in San Francisco, Stowe Mountain Lodge in Stowe, Vermont, and Rejuvenation in Portland. Profiles of thirteen “salvage success stories” are also included, showcasing the imaginative designs of creative homeowners. And lastly, fourteen easy, do-it-yourself projects are included at the back of the book (with step-by-step instructions), not to mention a comprehensive “Where to Find Salvage” resource section.

Packed with over 350 color photos, *Salvage Secrets Design & Decor* offers a trove of salvage ideas to inspire, proving that you need look no further than your local rebuild center, architectural salvage shop, or flea market to transform your living space.

350 color photographs
