This book is a collection of blog entries from the website, [www.seekyethetruth.com](http://www.seekyethetruth.com). As individual posts, they chronologically outline a progression of thought during the course of an entire year. As such, they are not intended to be read and understood as the “final word.” With each blog post, discussions uncovered hidden facts and truths that were not common knowledge at the time the post was created. As a progression of thought, it is also to be understood that the views and opinions of each post’s authors may not remain the same today. As new facts are presented, understanding of each topic is also subject to change.
