Although Polly is slow to trust a new friend--William, the new boy at school--she all too soon finds herself sharing the details of her unbelievable past adventures. When a shocking accusation finds her in more trouble than ever, Polly begins to lose her inner strength and self-confidence. With the help of some new friends and a few larger-than-life old friends--who create absolute pandemonium while attempting to rescue Polly as well as a few other troubled children--Polly finds her way back to a place where innocent, mistreated people are shown the love and kindness that they deserve. Will Polly Brown be able to regain her hope and confidence, and reinforce her belief in what she knows, deep down, to be true?
