Thorn Intisar Khanani

For Princess Alyrra, choice is a luxury she's never had ... until she's betrayed.

Princess Alyrra has never enjoyed the security or power of her rank. Between her family's cruelty and the court's contempt, she has spent her life in the shadows. Forced to marry a powerful foreign prince, Alyrra embarks on a journey to meet her betrothed with little hope for a better future.

But powerful men have powerful enemies--and now, so does Alyrra. Betrayed during a magical attack, her identity is switched with another woman's, giving Alyrra the first choice she's ever had: to start a new life for herself or fight for a prince she's never met. But Alyrra soon finds that Prince Kestrin is not at all what she expected. While walking away will cost Kestrin his life, returning to the court may cost Alyrra her own. As Alyrra is coming to realize, sometime the hardest choice means learning to trust herself.

Thorn has received a **Badge of Approval** from **Awesome Indies**.

What people are saying:

"A troubled princess, an unknown prince, a betrothal, a magnificent white horse, a dangerous sorceress, a wanted thief, magic, mystery, and danger. What more could you want? How about an interesting, in-depth plot that deals with issues such as abuse, grief, justice, loss, pain, revenge, and betrayal? This book has all of these and more." - Vendethiel, Amazon review 7/1/2012

"Princess Alyrra/Thorn is the most engaging main character I have met in a long time. All she wants is to be left alone and yet, when push comes to shove, she does step up and do the right thing. She is humble and compassionate and brave, though she doesn't believe it." - Author Elisabeth Wheatley

"The climax is a bit of a show-stopper, a wonderful outbreak of magical manipulation with everything at stake, and no real certainty of how things will go." - *Pauline's Fantasy Reviews* 8/24/2012

Readers of **Robin McKinley** and **Mercedes Lackey** are sure to enjoy this retelling of the classic Grimm's fairy tale, "The Goose Girl."

Trigger Warnings: Domestic violence, assault

From reader reviews:

Michael Johnson:

Spent a free time for you to be fun activity to do! A lot of people spent their free time with their family, or all their friends. Usually they performing activity like watching television, likely to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Can be reading a book can be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to try look for book, may be the e-book untitled Thorn can be great book to read. May be it could be best activity to you.

Denise Rutledge:

Does one one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try and pick one book that you find out the inside because don't assess book by its protect may doesn't work the following is difficult job because you are afraid that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer can be Thorn why because the great cover that make you consider with regards to the content will not disappoint anyone. The inside or content will be fantastic as the outside as well as cover. Your reading sixth sense will directly direct you to pick up this book.

Maria Lamotte:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book ended up being rare? Why so many concern for the book? But any people feel that they enjoy for reading. Some people likes looking at, not only science book but also novel and Thorn or others sources were given know-how for you. After you know how the great a book, you feel need to read more and more. Science e-book was created for teacher or perhaps students especially. Those textbooks are helping them to put their knowledge. In other case, beside science publication, any other book likes Thorn to make your spare time much more colorful. Many types of book like here.

Walton Han:

E-book is one of source of know-how. We can add our expertise from it. Not only for students but native or citizen need book to know the up-date information of year to help year. As we know those guides have many advantages. Beside we all add our knowledge, also can bring us to around the world. From the book Thorn we can get more advantage. Don't someone to be creative people? To get creative person must choose to read a book. Just choose the best book that ideal with your aim. Don't possibly be doubt to change your life with this book Thorn. You can more attractive than now.
