Vipassana Meditation and the Sound of Silence: 10 Days at a Meditation Retreat

Sheila Gibson

Vipassana Meditation and the Sound of Silence: 10 Days at a Meditation Retreat Sheila Gibson

I'm a woman of Christian faith, challenged to learn about and experience Vipassana meditation in a time of marital distress and personal disarray. The journey was amazing, and helped me to discover some profound strengths in the days of silence and sitting. In this book I review the experience from the philosophy of the course to the details of daily routine. I've also newly updated the final chapter, reflecting the decisions my husband and I came to in the year since we attended the retreat.

This book will be helpful to anyone thinking about attending a Vipassana retreat, and will give insight to what to expect: what was hard and what was not; the benefits and challenges of spending nine days in voluntary silence; and a summary of the experience, especially from the perspective of a practicing Christian.

It was an amazing event, rich beyond what I expected, and so much of the philosophy of living aligned with my values and Christian beliefs. Meditation is a good discipline to bring to my daily routine, and has helped me build a stronger faith because I have learned to give regular time to quietness each day. Meditation isn't a magic formula to make life perfect, but rather a tool to help us understand: this too shall pass.

Beatrice Rogers:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Vipassana Meditation and the Sound of Silence: 10 Days at a Meditation Retreat.

Lillie Stein:

Many people spending their period by playing outside together with friends, fun activity using family or just watching TV 24 hours a day.
