Yes, you can make a living writing books. You know the old saying "work once, get paid forever?" It's true. I'm a nobody - yet my books earned me enough money to retire early. This book reveals how.

Inside this book, you'll learn:

- * Beat writer's block using this 1 mental trick (I regularly write 3000+ words without fail)
- * How I wrote a million words in 12 months (no, I don't write all day)
- * Write faster and better (I wrote 1 million words last year. It's simple - here's how ...)
- * Short on ideas? Generate genius ideas by doing this (it's simple and relaxing)
- * Case study: a 26 years old woman made millions from her book without a book publishing deal (read it on chapter 1)
- * The secret to getting rich from your writings (hint: all rich people do this)
- * Why you should stop freelance writing if you want to get rich (trade value for money, not time)
- * How to develop the habit of writing 2000 words every day (say goodbye to procrastination!)

It's time to publish your writings and make money. Think of this book as an guide map - just add "action" and you'll get there. I quit my day job because I made enough money from my books. Take my advice - you'll be surprised how much money you can make from writing, seemingly overnight. I'll see you on the other side.
