This is the comprehensive Arabic project management book that offers you a thorough guidance to the leading project management practices. It is the only Arabic book and first of its kind that you can depend on to prepare for your PMP exam. The book Adopts the 5th edition of the PMBOK guide and is up to date with the latest 2016 exam outline. Mindmapping is a basic feature of this book which is a great way to categorize, organize the ideas and identify relationships. The “Inputs, Tools & Techniques, and Outputs” of the 47 processes are supported with real-life situations, graphs, examples, figures, mind maps, Tips and exercises to ensure deep understanding. Another unique feature of the book is that it highlights the main outputs of each process to show where they can be used as inputs to other processes, which enable the reader to have a better understanding of the linkage between various processes. The Book has 500 questions in Arabic to help you prepare for the PMP exam and 60 templates that can be directly used or customized for your project. Moreover, several templates were used through the different chapters to present a sample project as an implementation example. (Cover design: Arch. Shahenda Amr)
