Sunbeams, Revised Edition: A Book of Quotations

Sunbeams, Revised Edition: A Book of Quotations

The only thing that makes life possible is permanent, intolerable uncertainty: not knowing what comes next” (Ursula K. Le Guin). “Life must be lived forwards, but can only be understood backwards” (Søren Kierkegaard). “When they tell you to grow up, they mean stop growing” (Tom Robbins). If brevity is the soul of wit, it may also be the soul of wisdom, as these short sharp nuggets from *Sunbeams* suggest.

Derived from *The Sun*, the eminent monthly national literary magazine with a loyal readership of 70,000 people, *Sunbeams* features a selection of quotations for the aficionado of the form, the fan of the magazine, and anyone looking for an instant reminder of the beauty, power, and sheer complexity of the human spirit. Avoiding the familiar, the book contains pithy thoughts from a diverse group that includes James Baldwin, Mother Teresa, Friedrich Nietzsche, Rumi, and Victor Frankl, who survived the Theresienstadt concentration camp. Provocative and uplifting, the book respects both the glory and the heartache of being human.
