The Boy in the Box: America's Unknown Child (Revised Edition): The Original Comprehensive Book about One of America's Greatest Crimes Jim Hoffmann

This work is the original comprehensive book about one of America's greatest crimes: the Boy in the Box case. Using archived news stories, interviews with leading investigators and witnesses, and an analysis of the official Philadelphia Police Department's evidence box, "The Boy in the Box: America's Unknown Child (Revised Edition)" set the standard for other researchers to follow. It is a succinct outline of the facts, the events, and the players to one of the true crime genre's most prolific stories. Included in the work are photos, charts, and a painstakingly created timeline of key events in the case. Also included in this unique work is a second book, "The Boy in the Box: America's Unknown Child," a Power Prose fictionalized edition of the story (and a completely new literary genre) dedicated to the little, unknown boy and the battle-hardened investigators who fought valiantly for him.
