IMAGINE AN ANCIENT, universal and Divinely-conceived plan that is binding together the world's great religions, unfolding over time and guiding humanity toward an ultimate, meaningful purpose. Such a Divine plan exists. All creation is the classroom. And Divine Educators have presented this soul-saving and civilization-advancing curriculum to all of humanity. The Divine curriculum is progressive and never-ending because the knowledge and grace of God cannot be exhausted. The six-volume Divine Curriculum series tells the surprising 4,000-year story of how the great Divine Educators were sent by God from the earliest times to educate humanity—and yet, according to author Edward Price, this sweeping story has really just begun.
