**Eejit: A Tale of the Final Fall of Man (Volume 1)** Andrew Hindle

In the 39th Century, great men and women of the human race strode among the stars. And the crew of the Astro Tramp 400 were also there. Six untrained civilians. Two seasoned officers and two radically unspaceworthy scientists. One mad alien inventor. And six hundred and twenty-eight clone crewmen with severe intelligence-formatting errors. Eejit is the first tale of The Final Fall of Man, a science-fiction story about - among other things - the human race and how we either won or lost it, depending on your point of view.
