El arte de la guerra (Spanish Edition)

Sun Tzu

El arte de la guerra (Spanish Edition) Sun Tzu

En esta época en que tantas personas creen que la solución a los problemas del siglo XXI es la violencia, esta obra es importante y necesaria, no porque sus reflexiones sean una invitación a practicar la guerra, sino porque para Sun Tzu la guerra es algo más que la simple fuerza bruta y la irracionalidad de la destrucción. Se trata del arte de evitar los conflictos: requiere de una sabiduría mayor, pero sobre todo, exige de nuestra parte una gran sensibilidad para detectar cuáles son las exigencias que nos demanda la armonía universal. Hoy en día, la filosofía de El arte de la guerra ha ido más allá de lo estrictamente militar, para aplicarlo a los negocios, los deportes, la diplomacia y el comportamiento personal. El objetivo de las estrategias es poner de nuestra parte las condiciones más favorables, juzgando el momento preciso para atacar o retirarse, y siempre evaluando correctamente los límites del combate.
