"I arrived to find that this was a war of walkers."

So writes Anjan Sundaram about his journey into the heart of the war-torn Central African Republic in 2013. As soon as he arrived in the city of Gaga, he witnessed hundreds of people fleeing their homes for parts unknown, afraid to be one of the many victims of the Seleka rebel force that had taken over the country that year, or the anti-balaka militias that had sprung up in retaliation. As Sundaram follows a jungle path from village to village, he provides witness to a burning Republic, one that is still in the grips of chaos and violence.

An eBook short.
