**YOUTH GONE WILD PART 1: LIFESTYLES OF THE YOUNG AND CORRUPTED** Vincent Morris  
They were rich, corrupted, sexually obsessed, confused, emotionally disturbed teens.....they were the youth gone wild.

Novelist Vincent Morris returns with inspired young adult fiction which is funny, thought provoking, and intelligent. The humor is similar to a young Chris Rock, Daniel Tosh, or the late, great, Richard Pryor.

Bobby Archibald was born into wealth but wishes he could be like everybody else. He often films naked teenage girls in awkward positions and is forever taking a stand against his father. Bobby Archibald is a musical prodigy on the level of Prince or Kanye West but his father would rather he be a politician, Fortune 500 CEO, or prominent attorney. Bobby Archibald is the voice of rebellion.

Amber Archibald is obsessed with sex, bad boys and doesn't know who she is. She often sniffs coke and is known to pass out drunk in less than ideal places. Amber Archibald is young, beautiful and willing to do anything for attention. Amber Archibald is the voice of insanity.

Chris Buckingham is self absorbed and greedy. He will bend, twist, and manipulate the rules of society to get ahead. Chris Buckingham is a closet racist, shaped by the words and actions of his father. Chris Buckingham is the voice of evil.

Gabriel Christ is class valedictorian but all he wants is a date on Friday night. He is academically gifted, scoring a perfect 1600 on his SATS but all he wants to do is fit in. Gabriel Christ is one of only a handful of gifted African Americans at an elite white school but all he wants is a girlfriend. Gabriel Christ is the voice of morality.

They were rebellious, insane, evil and searching for morality.....they were the youth gone wild.

Vincent Morris's Youth Gone Wild is an anthem for teenage angst, dreams and determination. As told through the eyes of Gabriel Christ with humor and quick wit, he sums up not only what it's like to be a teenager, but what it's like to find yourself. Since his debut earlier this year with titles such as Tears of a Clown and The Addiction series, he has continued on a path to reshape how we view literature. Although his work is only available on kindle it is well worth the download. Youth Gone Wild is a ten part series.
