A Little Too Much (A Little Too Far) Lisa Desrochers

In the follow-up to Lisa Desrochers' explosive new adult novel *A Little Too Far*, Alessandro Moretti must face the life he escaped and the girl he left behind.

Twenty-two-year-old Hilary McIntyre would like nothing more than to forget her past. As a teenager abandoned to the system, she faced some pretty dark times. But now that's all behind her. Hilary has her life on track, and there's no way she'll head down that road again.

Until Alessandro Moretti—the one person who can make her remember—shows up on her doorstep. He's even more devastatingly gorgeous than before, and he's much too close for comfort. Worse, he sees right through the walls she's built over these last eight years, right into her heart and the secrets she's guarding.

As Hilary finds herself falling back in love with the man who, as a boy, both saved and destroyed her, she must decide: Past or future? Truth or lies?
