## **College Pack** Kayci Morgan

A collection of three gay romances that all take place in a college setting.

### **Frat House Rulez**

Desperate for a place to stay while attending school, Mark pledges a frat he knows little about. Soon after his arrival on campus he starts to notice strange things about the frat he's chosen to rush. When he realizes he's pledging a gay frat Mark must decide between dropping out and possibly having to leave school, or continuing on and enduring each sexy trial his Big Brothers can come up with.

### **Maid for You**

Evan was accustomed to getting what he wanted, when he wanted it. So, when he turned his sights to his best friend, Carlos, he expected the maid's son to fall in line and be his. Much to Evan's surprise, Carlos refused his offer.

Carlos had spent his life taking care of his best friend. So when Evan declared his "love", Carlos wasn't willing to service his friend in that way too. For them to have anything resembling a real relationship, Evan would have to be the one to bend. So, Carlos gave him a test to prove the seriousness of his feelings.

Maid for You is a 3000 word short story involving cross-dressing, power play and new love.

### **Games We Play**

When Kenny, a gay activist and leader of his college's LGBT club came home to find a cross hanging on his wall, he was sure his new roommate would make his life hell. But how could he ever hope to defeat that sweet dopey expression on his roommate's face? The man didn't fight fair.

All Patrick wanted was to introduce his new roommate to the things that were important to him. He couldn't understand why Kenny was being so cruel when all he wanted was for the two of them to be closer.
