**When Julie married her high school sweetheart, she never imagined that he would turn into the sort of man who spent all his time and money on booze, pot, and strippers. But life surprises us, and so do people...like when Jeff comes home and informs Julie that he offered her to the Cold Hearts Motorcycle Club to cover a debt. Julie gives him two options: she'll do it if he lets her divorce him free-and-clear, or he can lose a limb at the hands of New Mexico's wildest MC. He makes the obvious choice and Julie gets ready to hold up her end of the bargain: six weeks of maid service at the Cold Hearts clubhouse.**

**But while she expects to be miserable, she doesn't expect that the skimpy outfit they make her wear will make her feel so sexy. She doesn't expect to be turned on by the way the President and Vice President, Tor and Nox, talk about her. And she certainly doesn't expect to end her time with them satisfying her deepest, darkest, wildest desires.**

**WARNING! This ebook contains super hot and explicit scenes that do not leave much to the imagination and is intended for adults only. Discretion is advised!**
