Eric can't remember the recurring dream that keeps waking him in the middle of the night with an overwhelming urge to leave, yet he spends each day feeling as if he desperately needs to be somewhere. With no idea how to cure himself of this odd compulsion, he decides to let it take its course and go for a drive, hoping that once he proves to himself that there is nowhere to go, he can return to his normal life. Instead, he finds himself hurled headlong into a nightmare adventure across a fractured Wisconsin as the dream reveals itself one heart-pounding detail at a time.

Horror, science fiction, dark fantasy. From the author of *The Temple of the Blind*. 84,000 words.
