## **L'Ombre de Gray Mountain** John Grisham

Une jeune juriste de Wall Street découvre l'Amérique profonde et de graves enjeux écologiques.

New York, 2008. La carrière de Samantha Kofer dans un grand cabinet d'avocats de Wall Street est sur des rails dorés... Mais la récession frappe. La jeune femme se retrouve congédiée du jour au lendemain. Samantha a toutefois de la chance dans son malheur : si elle accepte de travailler gratuitement pendant un an dans un centre d'aide juridique, elle pourra peut-être réintégrer sa place. En quelques jours, Samantha quitte Manhattan pour s'installer à Brady, en Virginie, une petite ville minière. Mattie Wyatt, la directrice du centre, va lui montrer comment aider "les vraies gens ayant de vrais problèmes". Pour la première fois dans sa carrière, Samantha va préparer un procès, connaître la violence des salles d'audience, recevoir des menaces. Elle apprendra également que Brady, sous la coupe des compagnies minières, cache de lourds secrets. Le danger est partout.
