Say Yes Donna Hill

Donna Hill returns to the beloved characters she introduced in *If I Could* with this poignant, insightful story of a woman who dares to say no to a loveless existence. . .and yes to the challenges and pleasures of living life on her own terms.

Regina Everette never expected things to be simple when—to the shock of everyone around her—she walked away from her empty marriage. Of course, she never expected to find real love waiting around the corner, either. Now that she's with Parker Heywood, she knows what true happiness feels like. Still, it comes with a price. Her children want their father to be the only man in her life, and he's determined to win Regina back. Parker has his own obligations, too: a teen daughter who wants to be the first, and only, woman in his life. With everyone outside the relationship seemingly bent on pulling them apart, their love will be put to the ultimate test. But through it all, Parker is willing to stay by Regina's side forever. . .if she will only say yes.

"[A] spellbinding story that will give any reader or book club plenty to talk about!"
